Invitation to authors

Our Editorial Board is open to new ideas that meet the needs of the readers with any interest and would be delighted to hear from you. Please share the details of proposals you may be developing in any field.

We will help you to change your ideas into high quality books and provide support and guidance throughout the writing and editing process. If you are thinking of writing a book, have any information that you wish to disseminate to a large audience, or if you feel there is a gap in the market for a certain topic, please get in touch with our commissioning team today. They will be pleased to hear from you. We also encourage young and bright minds to come forward with their words.

Pentagons South Asia Defence and Strategic Year Book, now in its sixth year of publication, comes at a time when the global security environment has undergone radical change. It has a major impact on South Asia's security environment. This South Asia Defence and Strategic Year Book imparts a magisterial overview of the geopolitical patterns of the region which is becoming a blend of power and paradox. It offers a comprehensive analysis of the region and its security environment for the lay reader as well as the professional analyst. It aims to provide understanding through information.
